

DON'T CRY FOR LOUIE

I gave up all my friends
My girls from out of town
Bought her what she wanted
Yet she let me down
When she saw me crying
She said I had no heart
When my heart was bleeding
She turned around and laughed

Girls don't cry for Louie
Louie wouldn't cry for you
When you walk the streets for Louie
You better do what Louie tells you to

I met Louie on a hazy morning
When the bars were closing down
He said honey I really like your prancing
You and I we'll burn this town

This woman, sir, mislead me
Hurt me in my pride
Who are you to judge me?
Who are you to take her side?
She cheated on me mister
Told me nothing but lies
I just had to teach her
Not to overstep the line

Girls don't cry over Louie
He wouldn't waste a tear on you
When you walk the streets for Louie
You ain't walking down no avenue

I met Louie on a hazy morning
In a sleazy part of town
I was tipsy and feeling kind'a lonely
Louie offered me his arm
He said: you and I we'll burn this town
He said: you and I we'll burn this town

THE MOONSHINER

No dimes in your pocket
No bills in your wallet
No cash in the bank
Ain't no good at all

Honey you're not wise
You don't realise
People talk you know
Guess what I've been told
When you come home late
That beat look on your face
Don't tell me it's because
You're working night and day
I'm not blind
I got eyes you see
You're a mean moonshiner

You've been seen down at Joe's
Spending all of my dough
Splashing bourbon and rye

Playing randy and dandy
the games stakes are high

Honey you're a lie
Just a no good guy
Phoney Romeo
In a late late show
When I took you home
To mama she said
This guy looks like
He's got a hole in his head
Lord protect us from evil she cried
He's a mean moonshiner

Honey don't you grieve
When I take my leave
I ain't gonna cry
For my last goodbye
I'm gonna take that door
Don't care what you say
You never did say much anyway
I care no longer
For the company
Of a mean moonshiner

LORD HELP ME PLEASE

This woman she knows
The story of heartbreak
Beneath the weight of the day
She's seen the hate
On people's faces
Dark skin her only disgrace

She cries help me please
Lord help me please

Her children she taught them
How to be proud in the face
Of adversity
She gave them the love
respect and understanding
Showing them
The way to be free

Lord help her please
Lord help her please
Lord, please

She stands tall
High as a mountain
Her heart as deep as the sea
She's known hardship and sorrow
That brought her down on her knees

Lord help her please
Lord help her please
Lord help her please
Lord please

LAY YOUR HANDS (Off My Man)

Lay your hands
Off my man
You don't even want him
You just want
What I have

Lay your hands
Off my man
You don't even want him
You just wanna
Take my place

A pretty girl
floating in a room
Wrapped in her innocence
and her cheap perfume
Fluttering around men
like a moth around the light
Think she won't burn herself,
well I just think she might
A little girl
not a woman yet
Spiteful little eyes
that say watch out I'm a threat

Lay your hands
Off my man
You don't even want him
You just want
What I have

Lay your hands
Off my man
Don't you, don't you
Don't you girl, don't you dare

You call me sweetie
and other charming names
Yet you give him the eye
while I'm standing next to him
Don't like your ways
besides I got my pride
Would you mind girl
stepping aside
Oh! no you don't understand
you're acting amazed
Don't take me for a fool girl
fade away

LULU'S SONG

Chains that she wears like a crown
 For to slaverybound
 From the day they have met
 Chains that she's dragging around
 Never making a sound
 From the day she said "yes"
 Chains, to keep her tied to the ground
 While he is slipping away

Queen in a glorified cage
 With only silence to page
 The lonely night long
 Wait for the footsteps to fall
 For his voice in the hall
 Calling her name again
 Pray for all that sweetness long gone
 When all that's left is the pain

Shame that she's keeping inside
 Hiding misery behind
 Fancy curtains of lace
 Vain, she is hoping in vain
 He would kindle the flame
 That once burned in his eyes
 Rain that beats like time on the pane
 When every second's the same
 Rain that beats like time on the pane
 When every second's the same
 Woman, don't bury that heart of gold
 Behind a cold face of stone

JUST A FRIEND OF MINE

He said baby, what's your name
 Are you new in this town?
 Since you walked in
 things don't look the same
 How about sticking around?
 the place was dark
 and the band played loud
 His voice sounded kind of dry
 He said: who's that guy
 with the funny smile?
 She said:
 He's just a friend of mine (x3)

They talk a little, drank a lot
 As the evening went by
 The place got crowded and the air too hot
 He said: who's that guy following us about
 She said:
 He's just a friend of mine (x3)

He was nice and gentle,
 still rough enough
 To keep her satisfied
 She said: hold it baby
 it gets too much
 I feel like I'm gonna die

He took her home
 in the early mornin'
 She said: please do come inside
 He said who's that guy
 in the dressing gown?
 She said:
 He's just a friend of mine (x3)

He said who's that guy
 in the dressing gown?
 She said baby don't you mind
 He's just a friend, just a friend,
 He's just a friend of mine

SOLD MY SOUL

I sold my soul to the devil
 The first time you kissed me
 I mistook hell for heaven
 The first time I let you touch me
 Now I'm just a little toy in your hands
 Like many before me
 Feels like I'm walking on a rope of sand
 Somebody save me

I even cancel all my secret rendez-vous
 To sit alone by the phone
 Waiting to hear from you
 My friends don't call me no more
 Say I'm no fun
 Ignore me when I'm round
 Talk about me when I'm gone
 I don't know what's gonna happen
 To my poor soul, Lord help me
 Mama, your little girl is crying
 Night and day, do something for me
 If you can

ONE SILVER DOLLAR

One silver dollar
 Bright silver dollar
 Changing hands
 Changing hands

Endlessly rolling
 Wasted or stolen
 Changing hands
 Changing hands

Spent for a beer his trinket
 Won by a gambler's lust
 Pierced by an outlaw's bullet
 And found in the blood red dust

One silver dollar
 One silver dollar
 Changing hands
 Changing hands

Love is a shining dollar
 Bright as a churchbell's chime
 Gambled and spent and wasted
 And lost in a dust of time

One silver dollar
 One silver dollar
 Changing hearts
 Changing lives
 Changing hands

PHILADELPHIA

Raindrops falling softly
 As I walk on down the road
 Neon lights flicker
 Reflecting on my leather coat
 A black guy passes me by
 He's looking kinda high
 When I'm reaching for a smile
 I see that strange look in his eye

Here I am in Philadelphia
 And I'm walking in the rain
 You're out there in Compton, baby
 Do you still remember my name?

I couldn't hear what he said
 But I suddenly realised
 Thousand thoughts go through my head
 While his steps they follow mine
 A woman must be crazy
 To be out this time of night
 Unless she's looking for some business
 Unless she's feeling real uptight

Here I am in Philadelphia
 And I'm walking in the rain (x2)
 You're out there in Compton, baby
 Do you still remember my name?

Here I'm standing at the station
 Waiting for my train to come
 When that dude gave me a look
 Made me wonder what I'd done
 A woman must be crazy
 To be out this time of night
 Unless she's looking for some trouble
 Unless she's out of her mind

Here I am in Philadelphia
 And I'm walking in the rain (x2)
 You're out there in Compton, baby
 Do you still remember my name?

Do you baby? Do you remember?
 Do you baby? Do you remember?
 Remember my name?

REMEMBER

Remember, a gypsy never gets lonely
Remember, a gypsy never gets lonely

He spends his nights doing what
They pay him well to do
He don't talk too much
Won't waste no words on you
He's the meanest cowboy in this town

And there ain't no Susy round
To nail him down

In some back room
He lays his cards on the table
Whatever job he does
They know he is able

He's a roving rogue
Moving from place to place
You don't stand a chance
To see a smile upon his face
He wouldn't give no one
The time of day
When his job is done
Just collects his pay

Whenever you might
Meet up with this stranger
Better move along
His name spells danger

PUERTO RICO

Wake up Angelita,
Your mama just turned off the light
Manolo is already waiting
By the old water pipe
Her shoes in one hand
She carefully walks down the stairs
Holding her breathe
'Cause there's danger and love in the air

Aiie aiie aiie aiie aiie aiie Puerto Rico
Aiie aiie aiie aiie aiie aiie Puerto Rico

Your Papa will beat him
If he ever finds out
Begging the Virgin won't help
When you hear Manolito shout,
Manolito shout
He's already standing
Under the starlit sky
You run to his arms and you laugh
And you cry as he holds you tight

Aiie aiie aiie aiie aiie aiie Puerto Rico
Aiie aiie aiie aiie aiie aiie Puerto Rico

He says he'll be leaving you soon
Still you beg him to stay
But he wants to make it
Somewhere in the U.S.A.
And though he'll be far
He promises he'll write every day
When time will be right,
He'll come back and he'll take you away

Aiie aiie aiie aiie aiie aiie Puerto Rico
Aiie aiie aiie aiie aiie aiie Puerto Rico

Your papa don't like him
He says he's no good
He steals and he fights and he never
behaves
Like a young man should
Angelita she knows,
He's not that bad inside
She takes the medal,
She wears on a chain,
And presses it into his palm

Aiie aiie aiie aiie aiie aiie Puerto Rico
Aiie aiie aiie aiie aiie aiie Puerto Rico

JOHNNY, TU N'ES PAS UN ANGE

Johnny, tu n'es pas un ange
Ne crois pas que ca me dérange
Jour et nuit je pense à toi
Toi tu te souviens de moi
Au moment où ca t'arrange
Et quand revient le matin
Tu t'endors sur mon chagrin
Johnny, tu n'es pas un ange

Johnny, Johnny
Si tu étais plus galant
Johnny, Johnny
Je t'aimerais tout autant

Johnny, tu n'es pas un ange
Ne crois pas que ca me dérange
Quand tu me réveilles la nuit
C'est pour dire que tu t'ennuies
Et quand revient le matin
Tu t'endors sur mon chagrin
Johnny, tu n'es pas un ange

Johnny, Johnny
Si tu étais plus galant
Johnny, Johnny
Je t'aimerais tout autant

Johnny, tu n'es pas un ange
Après tout qu'est-ce que ca change
L'Homme saura toujours trouver
Toutes les femmes du monde entier
Pour lui chanter ses louanges
Dés qu'il en sera lassé
Elles seront vite oubliées
Vraiment vous n'êtes pas des anges

Johnny, Johnny
Depuis que le monde est né
Johnny, Johnny
Il faut tous vous pardonner
